## Malanda—Gallo Cycle Loop

Starting from the Town Centre opposite the Theatre turn left into Catherine Street and proceed to the end T intersection. Turn right into Downing Street and right again onto the Malanda/Atherton Road. Almost immediately, left turn into Mary Street and you are on your way. Proceed past the Malanda Primary School and carefully across the single lane bridge. Veer left and follow Pound Road up the hill until you then turn right into Peeramon Road. Continue climbing and stay on Peeramon Road until you next turn left into Ball Road. There is also a Foxwell Park B&B sign at this intersection. Continue along Ball Road on the bitumen until you see Mt Quincan on your right. Keep riding past Mount Quincan (watch for trucks) until the T intersection which is Curtain Figtree Road. Turn right then the next left turn into Coleman Road. Proceed through the gates and continue straight ahead onto Mckeown Road until the next T intersection which is the main Malanda/ Atherton Road. Turn right (watching for traffic) then left into East Barron Road. This is a great place for a break as Gallo's is on the corner.

Continue up East Barron Road then left into Cook Road. You then have a long downhill (fast) over the floodway and a long uphill climb. At the next T intersection, turn right into Stonehouse Road following this road all the way until you meet another T intersection where you will turn left into Upper Barron Road. Bromfield Swamp is on your right. On meeting the Atherton/Malanda Road turn right towards town keeping on the left until you can access the Ozcare walking track. This will be a safer option continuing all the way past the Visitor's Centre and across the bridge without having to cross the main road again. Malanda is directly ahead.

**Mount Quincan**
